Here I first went to Russia in the winter of 1959 my funds were very limited so after a certain time after the Russians had assured themselves that I was really the new comrade who believed in communism they arranged for me to receive a certain amount of money every month at it came totally through the KGB it was given as friend help to an actual emigre but it was arranged by the K.G.B. I told myself it was simply because I was broke and everybody knew it. I accepted the money because I was hungry and there were several inches of snow on the ground in Moscow at that time but what it really was was payment for my denunciation of the U.S. in Moscow in fact a clear promise that for as long as I lived in the USSR life would be very good I didn't realize all this, of course for almost two years.

There will probably be single representation of this kind by communist group in communist country, there will also be many divided religious segments of getting together.

~~unconscious~~ you meet them and they

Historical America 100

In the Communist experiment several factors and inevitable developments have emerged which may and might well not possibly have foreseen. These emerge with increasing clarity, two main mistakes which may result; first the notion that every socialist state of today's economic pattern "the system of socialism" which has always been unclear and controversial.

The first mistake is fairly well known
even at this stage in its common development,
the "withering away" of the state ~~and~~
~~is called~~ considered however very empirically
that the elevation of classes will lead
to the gradual reduction of state organs.
However, this is not the case and as better
observed there contemplated the state rather
becomes more ~~intensified~~^{intensified} in that while the
powers of sovereignty are delegated they are
not restricted in the distribution of power

The suggest of ~~the~~ ^{key} development
of our time is, the fight for markets
between the imperialist powers themselves,
which lead to the wars, crises and
oppressive function which you have all
come to regard as part of your lives.

It is this ^{beginning} factor
of the capitalist system which will
inevitably eventually lead to the common
destruction of all the imperialistic powers
and to already many ^{more} imperialist

given up their colonies themselves as

greatest hardship upon the people
a general decay of classic life styles

I have often wondered why it is that the communists, ^{and even} ~~the~~ anarchist and even the fascist elements in America, always profess retrogression toward the land and the people, if not the government although their ~~ideas~~ ^{ideas} most surely lead to the little destruction of all and everything.

IN MINSK THERE WAS A 35 FT. STATUE MOUNTED TO STALK WHICH STOOD EVEN AFTER THE FIRST DENUNCIATION OF STALIN BY KARLTON, UNTO THE MONUMENT OF STALIN IN LENINGRAD WHICH WAS TORN DOWN IMMEDIATELY. THIS IMPRESSIVE BRONZE AND MARBLE STRUCTURE HAS STOOD FOR AS LONG AS IT HAS DUE TO THE EFFORTS OF PICHARD STALINISTS SUCH AS COHN, PETRO-KOFMAN & THE OTHER OFFICE IN MINSK AND OTHERS. HOWEVER, AFTER THE 22nd CONGRESS MEETING WHEN KRUSHCHEV HAD DENOUNCED STALIN, ON NOV. 5 TWO DAYS BEFORE THE NOV. 7 REVOLUTIONARY CELEBRATION, A FORCE OF 100 MEN DESCENDED UPON THE STALIN SQUARE (NOW LENIN SQUARE) AND WITH BULDOZERS AND AXEDRIVERS THEY COMMENCED TO TEAR DOWN (NOT SALVAGE) THE STRUCTURE. THEY MUST HAVE BEEN VERY ENTHUSIASTIC BECAUSE NEXT DAY THEY HAD REMOVED THE 17TON BRONZE STATUE OF A MAN REVERED BY THE OLDER GENERATION AND LAUGHED AT BY THE SATIRISTIC YOUNGER GENERATION.

The most remarkable thing about the destruction of this giant monument was that work was ceased on the 6th of November, but started again on the 23rd the very day the big parade of workers came by. The movement was right across from the reviewing stand at it was
